What is Camp Susquehanna?

Camp Susquehanna is a **sleep-over summer camp** that provides a **safe environment** for young burn survivors to make friends, improve self-esteem, learn coping skills, and have fun!

Who is Camp Susquehanna for?

Camp Susquehanna is for children who have experienced burn injury, ages 7-17.

How does Camp Susquehanna work?

Due to COVID-19, camp is **temporarily virtual**. Throughout 2020 and 2021, virtual camp events—featuring our now famous "**Camp-In-A-Box**"—are held quarterly for our incredible campers.

What makes Camp Susquehanna special?

Camp Susquehanna recognizes the unique challenges that burn survivors face, and provides specific programming to **help children develop coping skills while having fun and making friends!**
